

## Liberia:

### Known locations of Ebola Response Units and Mobile Coverage

This map shows the location of known Ebola Treatment Units (ETUs), Community Care Centres (CCCs), Laboratories (LABs), and Triage Centres (TRIs). Facilities that have no known type are Unknowns (UNKs).

ETUs, CCCs, LABs, and TRIs are compiled from various data sources as of 15 Oct 2014.

Mobile coverage that has been submitted up to and including Dec 2013. Operators are asked to submit strong ( $\geq -92$ dBm) and variable ( $\geq 100$ dBm and  $< -92$ dBm) signal strengths as part of their submissions. The data here includes both types but does not make a distinction between the two.
